Invitation to Industry Partners to Sponsor and Exhibit at ECTS 2019
Dear Partner, Dear Colleague,

The European Calcified Tissue Society, ECTS, is pleased to invite you to become a sponsor or supporter of ECTS 2019, in Budapest, Hungary, from 11-14 May 2019 with pre-congress day on 10 May 2019.

ECTS serves as a forum for researchers and clinicians working in the musculoskeletal field to discover and discuss the latest advances and controversies in research and in the daily care of patients.

World-renowned experts will gather to present the newest research, as well as state-of-the-art clinical practice. ECTS Congress is the premier venue to present research findings and to learn about new work in the field. It therefore offers the perfect stage for you to present your company's portfolio to key decision makers, to learn what interests and motivates your target audience, and to get their feedback and generate valuable leads.

Meeting highlights will include:
- 50th year anniversary of bisphosphonates: what will be their future?
- Highly educational programme during the pre-congress day
- Our popular ECTS-ASBMR Debate
- New Investigator programme fully organised by our young leaders, the ECTS Academy
- Interactive "how do I" sessions to help managing patients going along the newest knowledge in the field

At ECTS we are committed to providing our industry partners with a variety of solutions to facilitate your presence and visibility at ECTS Congress.

New this year, we would like to encourage participation of small biotech and medtech companies. Companies with a targeted audience, sponsors with clinical data for rare diseases, or with innovative new products will find it a perfect platform to deliver cutting-edge information to key individuals. In the following pages you will see new items marked by an icon. Please contact the Sponsorship Team to check your eligibility. This option is not suitable for all companies and topics.

We will be for the first time in Budapest and the venue has been carefully chosen to offer our exhibitors a central location and maximum exposure for networking and showcasing your product and services.

We thank you in advance for your continued support and we look forward to welcoming you to Budapest for another stimulating and rewarding ECTS congress.

Anna Teti, ECTS President & SPC Chair

ABOUT ECTS

The European Calcified Tissue Society (ECTS) is the major organisation in Europe for researchers and clinicians working in the musculoskeletal field.

With the Annual Congress, PhD Training Courses and many research funding instruments, ECTS acts as a forum for the dissemination of scientific excellence and education. ECTS represents more than 600 members, including basic researchers, clinicians, students and health allied professionals working in the musculoskeletal field. It has a network of over 30 national and international societies.

By supporting the congress, you can make a valuable contribution to the work of ECTS by presenting your company and product to renown and international researchers and clinicians working in the musculoskeletal field.

ECTS 2019 Topics

- Bone, blood, bone marrow and fat
- Bone as an endocrine organ
- Bone mechanics and quality
- Cancer and bone
- Fractures and bone regeneration
- Growth plate and articular cartilage
- Osteoporosis pathogenesis, epidemiology and treatment
- Rare bone diseases
- Skeleton from fetus to old age

PRELIMINARY PROGRAMME

The programme gives participants plenty of time for networking in the industry exhibition during morning, lunch, and afternoon breaks.
The Budapest Congress Center is offering the largest congress and meeting facility in Hungary. More than 30 years of knowledge complete the service and create an unforgettable experience. A professional team will welcome you and take care that no wish will be left to be desired.

Hungary is located in the center of Europe and takes with its strategic position an important role as one of the major transportation hubs in the Central and Eastern Europe. The Budapest Congress Center is well aimed in the city center and located in the middle of a nice park. Twenty multifunctional rooms are available on the premises, with modern audio-visual equipment.

With a setup on one floor, this is the perfect location for combining the scientific sessions with interactive networking in the exhibition.

The industry is kindly invited to become a sponsor of ECTS 2019 in Budapest by choosing various options that are set out on the following pages of this brochure. The total amount of the financial contribution (based on sponsorship options and exhibition space) of ECTS 2019 will determine the level of sponsorship. Registration fees paid by the sponsor for invited participants are not included in the final calculation of the payment amount, which serves as basis for granting the applicable level of sponsorship.
EXHIBITION

Your booth - a meeting point!

The exhibition will be designed to allow participants to review the latest products and services. Supporting opportunities have been designed to maximize exposure to the participants.

Book your booth in the perfectly integrated exhibition area and create a unique meeting point to invite, inspire and welcome new guests that will leave your booth as clients.

Cancellation conditions & fees
Cancellations and changes to your original booking must be made in writing to k.seidel@interplan.de
50% of total costs if booking cancelled by 28 February 2019. After that date, 100% of total costs will be retained.

Other events
Other events may not be arranged for delegates during the scientific programme (including the satellite symposia) and poster presentations, or during the opening ceremony and welcome reception. Transportation to other events may not depart during the official programme (including the satellite symposia).

Acceptance of applications
The organisers reserve the right to refuse applications from companies not meeting standard requirements or expectations and reserve the right to curtail or to close exhibits, wholly or in part, that reflects unfavourably on the character and the purpose of the congress.

Amendments to terms and conditions
The organisers reserve the right to alter, amend or add to any of these conditions.

Advertisement in on-site programme
Commercial advertisements are displayed in the non-scientific part of the congress programme book.

Liability
The organisers cannot accept responsibility for damage caused by an exhibitor nor for loss sustained by an exhibitor. Exhibitors or their agents must not damage or deface the exhibition facility or the booths and equipment of other exhibitors. When such damage occurs, the exhibitor is solely responsible and is liable to the owner of the property. Exhibitors must make provision for the safeguarding of their goods, materials, equipment, and displays at all times.

Security and insurance
The organisers will not be held responsible for any loss or damage to exhibitors’ goods and exhibitors are reminded that they should take out their own insurance to cover for this.

Health and Safety at Work Regulations
It is the responsibility of the exhibitor to ensure that his contractor, employees, displays and exhibits comply with the latest legislation regarding Health and Safety at Work regulations.

Code of practice
It is the Exhibitor’s / Sponsor’s responsibility to comply with the local authority’s regulations, EFPIA (European Federation of Pharmaceuticals Industries & Associations) www.efpia.org and IFMPA (International Federation of Pharmaceutical Manufacturers & Associations) www.ifpma.org Code of Practice on the Promotion of Medicines. Failure to comply with these regulations may not be used as a ground to declare the contract void. Failure to comply with the Rules and Regulations will not expose the Organiser to any suits, demands by the Supporters/Exhibitor/any third party.
Confirmation of bookings
No booking will be confirmed until the deposit has been paid.

Exhibition layout
The initial exhibition plan will be available in January 2019 and will be organised according to exhibitors' requirements. Please note that electricity and shell scheme are not included.

Manning of stands
Exhibitors will be required to ensure that their stands are manned during the opening hours of the exhibition and must not dismantle their stands before the published closing time.

Registrations
Exhibitors are entitled to two free exhibitor registrations (NB exhibitor badges do not include entry to the scientific sessions) per 6m², and one additional exhibitor badge per 9 additional m² booked.

Sharing of stands
Exhibitors are not permitted to share or sub-let the whole or any part of their allotted booth space with others.

Flow of delegates
Nothing may impede the free flow of delegates in the aisles. This means that nothing may be built in the aisles, nor may furniture or equipment stand in the aisle space.

Build up
It is the responsibility of the exhibitor to ensure that their company's contractor(s) and employees comply with the latest regulations regarding Health and Safety at Work regulations. No one under the age of sixteen will be permitted in the exhibition during build-up or dismantling.

Laser shows
No laser shows will be allowed at this event.

Disruption to other exhibits
The organisers reserve the right to restrict exhibits, which, because of noise, method of operation, materials or any other reason, become objectionable to other exhibitors or to delegates.

Give-aways and distribution of printed materials
Give-aways and printed material may only be distributed in the space rented by the exhibitor in the exhibition hall, in hospitality suites, or at satellite symposia. Product identification is permitted on give-aways. Contests, lotteries and raffles are subject to approval by the organisers. Supporters and exhibitors are advised to consider the codes of conduct for pharmaceutical and medical companies.

Product disclaimer
The acceptance of a product or service for exhibition does not in any manner constitute an endorsement by the organisers. Each exhibitor and/or sponsor is responsible for the material and information they make available at the congress. Exhibitors and sponsors should only present material and information which has been approved by their legal departments and which is in compliance with the legislation of the host country of the congress. It is the responsibility of exhibitors and sponsors to address these issues and any conflicts arising from such matters directly among themselves as the organisers will not arbitrate in any way in legal issues of this nature.

The International Pharmaceutical Congress Advisory Association's (IPCAA) Code of Conduct, Medical Congress Guidelines and Housing Guidelines, and the Code of Practice of the European Federation of Pharmaceutical Industries and Associations (EFPIA) should also be adopted.

Liability
The organisers cannot accept responsibility for damage caused by an exhibitor nor for loss sustained by an exhibitor. Exhibitors or their agents must not damage or deface the exhibition facility or the booths and equipment of other exhibitors. When such damage occurs, the exhibitor is solely responsible and is liable to the owner of the property. Exhibitors must make provision for the safeguarding of their goods, materials, equipment, and displays at all times.

Security and insurance
The organisers will not be held responsible for any loss or damage to exhibitors' goods and exhibitors are reminded that they should take out their own insurance to cover for this.

Health and Safety at Work Regulations
It is the responsibility of the exhibitor to ensure that his contractor, employees, displays and exhibits comply with the latest legislation regarding Health and Safety at Work regulations.
TERMS & CONDITIONS - SATELLITE SYMPOSIA

Allocation of slots
Corporate members of the ECTS will be given first choice on satellite slots. Corporate members will be notified 2 weeks in advance of releasing the slot times in the Exhibition and Sponsorship Prospectus. Slots will be allocated on a first-come first-served basis. All satellite symposia must be organised at the official congress venue at the official time slots offered by the organisers in their sponsorship prospectus.

Content
The programme content of all satellites is subject to approval by the Scientific Programme Committee. An outline of the proposed programme, to include the session title, proposed chairmen and speakers and their titles must be submitted to the Committee prior to its final abstract selection meeting. The Committee will be happy to assist potential sponsors in putting together a list of topics and speakers. At least 60% of the programme of a sponsored satellite symposium must be of general scientific content and not more than 40% must be related to any specific drug or form of treatment. Satellite organisers must provide details of their session on the reply form sent to them, which must be returned by the deadline indicated. The content of any satellite may not include material which will subsequently be presented in an oral or poster presentation during the congress.

Faculty
An ECTS Board member may participate in one satellite only, as a speaker or chairman. Companies will be informed if the Scientific Programme Committee feels that there is excessive duplication of speakers, and companies will be invited to make changes in the interest of the overall programme.

Faculty costs
Please note that the ECTS is not responsible for any expenses for satellite chairmen or speakers, and companies are responsible for the registration, accommodation and travel costs in accordance with current industry regulations.

Promotion/Mailing list
Symposium details will be announced to delegates by email prior to congress. The sessions will also be listed in the on-site programme book and one invitation (size and weight restrictions apply) may be inserted into the delegate bags.

Reward
Satellite organisers may offer no material inducement or reward to delegates to attend the session.

Insurance
Each organiser of a symposium will be responsible for each and every occurrence in the hall assigned to the symposium for the duration of the time-slot assigned to the symposium. The responsibility may extend further than the place and time of the symposium if damages are caused by the installation of materials arranged by the symposium organisers. The organisers of industry symposia are requested to effect and maintain public liability insurance.

Registrations
Companies with satellite symposia are entitled to a maximum of 5 full day passes for company personnel.
