

46th European Calcified Tissue Society Congress

10-14 May 2019

Budapest, Hungary

Scientific Programme

Friday, 10 May 2019

Basic/Translational

Working Group

18:45 - 20:45

Lehar 1

Working Group 11: Epigenetic Regulation of Bone Formation and Homeostasis Non-coding RNAs - characterization of the state of the art in small and long non-coding RNAs

Long non-coding RNAs in osteogenesis	18:45 - 19:15
Biological role of microRNAs in bone homeostasis	19:15 - 19:45
MicroRNAs controlling bone regeneration	19:45 - 20:15
